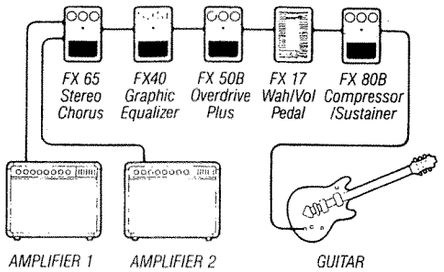
A stereo multiple effects setup using the FX-17 WAH/volume control pedal might look like this:



IMPORTANT NOTES

- When you're not going to use the FX-17 be sure to unplug the INPUT jack so as not to waste the battery.
- When there is a lot of distortion present in the signal, the battery is probably used up and needs to be replaced.
- If you are not going to use the FX-17 for an extended period of time, remove the battery to avoid possible damage to the unit from leaking battery fluids.
- It is a good idea to keep a fresh battery in the battery compartment while you're playing the FX-17 so that even if the A.C. adapter should accidentally come out, your FX-17 will continue to work.

- The use of any other A.C. adapter other than a DOD PS-3 or DOD FX-105 will void the warranty of this product.
- Unauthorized repair of the FX-17 will void the warranty. Should your WAH/volume pedal require service, contact your DOD FX pedal dealer for return/repair information.

CHANGING THE BATTERY

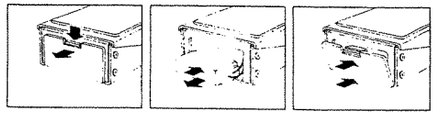


Figure 1 *Figure 2* *Figure 3*

Figure 1: Push battery compartment cover tab down and pull out at top.

Figure 2: Remove used battery. Replace with an EVEREADY® 9-volt No. 219 (NEDA 1604) or EVEREADY ENERGIZER® 9-volt battery No. 522. Snap on new battery and replace as shown.

Figure 3: Insert compartment cover in groove and push closed to latch.

SPECIFICATIONS

Input Impedance: 500K ohms
Output Impedance: 1K ohms
Band Width: 40 hz to 16 khz.
Bandpass Range: 200 Hz to 1.6 kHz.
Gain: Variable, −60 dB to unity.
Maximum Output Level: 6 vpp.
Control Voltage Range: 0 to +5 volts, ±.05 volts
Control Voltage Output Impedance: 1 kohms
Signal to Noise Ratio: >90 dB.
Power Supply: One 9-volt battery or DOD PS-3 or DOD FX 105 A.C. adapter.
Size: 5 inches L. × 3 inches W. × 2 inches D. (127mm × 76mm × 51mm)
Weight: 1.2 lbs. (.55 kg)

DOD WARRANTY

1. The warranty registration card must be mailed within ten days after purchase date to validate this warranty.

2. DOD warrants this product, when used solely within the U.S., to be free from defects in material and workmanship under normal use and service.

3. DOD Electronics liability under this warranty is limited to repairing or replacing defective materials that show evidence of defect, provided the product is returned through the original dealer, where all parts and labor will be covered up to a period of three years. The company shall not be liable for any consequential damage as a result of the product's use in any circuit or assembly.

4. Proof of date of purchase is considered to be the burden of the consumer.

5. If this product is battery operated: Batteries are not covered by this warranty. Please remove weak or dead batteries in order to prevent corrosion damage.

6. DOD reserves the right to make changes in design or make additions to or improvements upon this product without incurring any obligation to install the same on PRODUCTS PREVIOUSLY MANUFACTURED.

7. The foregoing is in lieu of all other warranties, expressed or implied, and DOD neither assumes nor authorizes any person to assume for it any obligation or liability in connection with the sale of this product. In no event shall DOD or its dealers be liable for special or consequential damages or from any delay in the performances of this warranty due to causes beyond their control.
